### EXCITING CAREER OPPORTUNITY

JOB TITLE	<b>BIOLOGY/CHEMISTRY TEACHER</b>
JOB LOCATION	<b>NAROK COUNTY</b>
REPORTING TO	<b>SCHOOL PRINCIPAL</b>
GROSS SALARY	<b>KES. 35,000 PER MONTH</b>
INDUSTRY	<b>NGO/EDUCATION</b>
POSITION TYPE	<b>FULL-TIME</b>

**Those who had applied should reapply for the role**

#### ROLE SUMMARY

Our client, an NGO running a secondary school in Narok County wishes to recruit a Biology & Chemistry Teacher to join their team of educators. As a teacher, you will play a crucial role in fostering a love for learning and promoting a deep understanding of both biology and chemistry among the students. Your primary responsibility will be to create engaging and interactive educational experiences that cater to diverse learning styles and abilities.

#### KEY ROLES AND RESPONSIBILITIES

- Plan, prepare, and deliver instructional activities that facilitate active learning experiences in Biology and Chemistry.
- Develop schemes of work and lesson plans in line with curriculum objectives.
- Use relevant technology to support and differentiate instruction.
- Assess and record learners' progress and provide grades and feedback.
- Prepare and administer formative and summative assessments.
- Analyze data to inform teaching and identify areas for improvement.
- Maintain discipline in accordance with the rules and disciplinary systems of the school.
- Encourage and monitor the progress of individual learners.
- Create a positive and inclusive learning environment.
- Provide support and guidance to learners for academic and personal development.
- Identify and address the educational and emotional needs of learners.
- Participate in professional development activities to improve teaching skills and knowledge.
- Stay updated with current educational trends and best practices in Biology and Chemistry education.
- Work collaboratively with other teachers, staff, and administration.
- Participate in departmental and school meetings, as well as parent-teacher meetings.
- Contribute to extra-curricular activities and school events.
- Any other job-related responsibilities that may be assigned to the job holder by the supervisor from time to time.

## **DESIRED QUALIFICATIONS**

---

Interested applicants should meet the following minimum requirements:

- Bachelor's degree in Education with a specialization in Biology and Chemistry, or a related field.
- Teaching certification recognized by the Teachers Service Commission (TSC) of Kenya.
- Demonstrated expertise in both biology and chemistry concepts, with a strong understanding of pedagogical strategies.
- Prior experience in teaching, tutoring, or facilitating biology and chemistry education at various levels.

## **DESIRED SKILLS**

---

- Excellent communication and interpersonal skills to effectively engage with students, parents, and colleagues.
- Proficiency in utilizing technology for teaching purposes, including online learning platforms and educational software.
- Strong organizational skills and the ability to manage multiple tasks while maintaining high teaching standards.
- Patience, creativity, and a genuine passion for inspiring a love of learning in students.
- Flexibility and adaptability to accommodate different learning styles and adapt to changing educational landscapes.

## **HOW TO APPLY**

---

Qualified applicants are invited to send a **cover letter** illustrating their suitability for the above position against the listed qualifications, competencies, skills together with a **detailed curriculum vitae**, including names and addresses of **three referees** knowledgeable about the candidate's professional qualifications and work experience. Send the full application as **a single PDF document** to: [vacancies@edasconsulting.co.ke](mailto:vacancies@edasconsulting.co.ke). The subject line should read "**Application for a Biology & Chemistry Teacher**".

Applications should be received by **3<sup>rd</sup> July 2024**.

***N/B: Kindly adhere to the application instructions when submitting your application. Only shortlisted candidates will be contacted.***
