

CENTER FOR INTERNATIONAL HEALTH, EDUCATION AND BIOSECURITY

VACANT POSITIONS

The Center for International Health, Education, and Bio security (CIHEB) - Kenya is a local non-governmental organization collaborating with the Ministry of Health (MoH) and County Health Management Teams to strengthen health systems for improved quality of healthcare in Kenya. Ciheb-Kenya is collaborating with the county governments of Mombasa, Kilifi, Kwale, Taita Taveta, Machakos, Makueni, Kitui, Nairobi, Kisumu, and Migori to support the implementation and expansion of high quality, sustainable, and comprehensive HIV prevention, care, and treatment programs, and expansion of COVID-19 vaccination with funding from the President's Emergency Plan for AIDS Relief (PEPFAR).

The Kenya Population-based HIV Impact Assessment (KENPHIA) II is a survey designed to assess the impact of the national response to the HIV/AIDS epidemic in Kenya. The Ministry of Health (MOH) is leading the implementation of this KENPHIA II in collaboration with other partners and with the CIHEB-Kenya as the implementing partner. The survey is funded by the PEPFAR through the Centers for Disease Control and Prevention (CDC) who are also key in providing technical assistance in the planning and implementation of the survey.
